ROUGH COUNTRY 12 VOLT OUTDOOR LIGHT

Thank you for choosing Rough Country for all your vehicle needs.

Please read instructions before beginning installation. Check the kit hardware against the kit contents shown below. Be sure you have all needed parts and know where they go.

If question exist, please call us @1-800-222-7023. We will be happy to answer any questions concerning this product.

Check all fasteners for proper torque. Check to ensure for adequate clearance between all components.

Periodically check all hardware for tightness.

NOTE: Take care using this LED light assembly in windy or hazardous weather conditions as damage is likely to occur. If needed collapse extended pole and redeploy after weather has passed.

Additionally, ensure the stake is fully pressed into stable ground. Very loose soil or mud will not support the light assembly and damage will occur.
